Broad-Spectrum Systemic Fungicide

PROPI SUPER 25 EC

FUNGICIDE

Quality Fungicide at a Sharp Price Point

PROPI SUPER 25 EC is a broad-spectrum systemic fungicide for single or multiple applications to control of a wide range of diseases on certain crops. This fungicide will protect the crop from yield and quality losses due to disease. It may be used in conjunction with higher seeding rates, higher fertilizer inputs, plant growth regulators and other fungicides as required.

GUARANTEE: Propiconazole 250 g/L
